

# National Human Rights Consultation Submission

**Name:** Mark O'Meara

**Submission Text:**

To whom it may concern,

I would like to address an issue that I believe to be very important and something that **MUST** be dealt with, that being cheating/being unfaithful.

Whether it be a law, a campaign or something else, something has to put an end to this.

I have had enough of people trying to make moves on my partner even when she is clearly with me. I am tired of seeing relationships, lives and families ruined by selfish acts and lapses in judgment.

The mental anguish, suffering and pain has to stop.

Enough is enough, people unfortunately **NEED** to be told what is acceptable and what is not.

Sincerely,

Mark O'Meara.
