

National Human Rights Consultation Submission

AGWW-7R82X6

Name: Jason Brown

Submission Text:

Dear Sir/Madam

If there is to be a national human rights act which I support, All state and territory governments as well as the federal government must be bound by it, Otherwise I suspect a national human rights act will be ignored. Also a national human rights act must protect everybody and there should be no exemptions in the act which allow people to discriminate.

Thank You
