

National Human Rights Consultation Submission

AGWW-7M8AJ7

Name: Daniel John Peterson

Submission Text:

I am writing to you today to remind you of our federal governments pre-election promise to ratify the United Nations Declaration on the Rights of Indigenous Peoples.

This is an extremely important issue for us all and I am asking you to please use everything in your power to make it very clear, that myself and many others around the world explicitly demand this declaration be ratified as we where promised it would be.

Thank you for your good work and valued representation.

Sincerely,
Daniel John Peterson
