Name: Carrie Wright

Submission Text:

The UN Charter of Human Rights states in Article 18.
Everyone has the right to freedom of thought, conscience and religion; this right includes freedom to change his religion or belief, and freedom, either alone or in community with others and in public or private, to manifest his religion or belief in teaching, practice, worship and observance.

As an Australian I endorse the entire Declaration of Human Rights especially the individual right to subscribe to the religion of ones choice

Best regards
